

How to prove the charitable character of your organisation?

What needs to be proven?

How to prove this?

Don't forget to mark and translate the most important parts into English!

1) Proof of non-commercial legal form (non-profit status)

copy of the official registration document of your organisation

2) Charitable / non-profit activities

most often found in the first few paragraphs of the statutes

3) What happens to the asset (capital) if organisations dissolves?

also found in the statutes. Often along the lines of "assets will go to organisations or causes with similar goals". If it's not mentioned, please check with the legal basic of the country your organisation is registered

4) Organisation does not make profit, positive balance is used for organisation's new activities

Often found in the statutes. If not, either check with the legal basic of the country your organisation is registered in or send the financial reports of the past two years.
